2. Accreditation

2.1 General Principles for Accreditation

The purpose of accreditation is to authorise people by confirming their roles at the 16th FINA World Swimming Championships (25m) Melbourne 2022 and providing them the rights to have privileges and appropriate access to functional areas to perform their duties.

The procedure of accreditation ensures appropriate security in the functional zones and areas of operation.

Accreditation ensures that only the appropriately qualified and eligible people are entitled to participate in or perform official functions at the Championships and used to keep unauthorised people out of such areas, therefore accreditation is not to be granted in lieu of a “free pass” or “event ticket”.

The teams representing the FINA member National Federations are entitled to receive accreditation for all eligible athletes competing at the Championships, including for team officials and NF Representatives. The team officials and NF Representatives are defined as persons whose presence is essential to the administration of an NF’s delegation and for the technical and medical support of the athletes competing at the Championships.

2.2 Accreditations Quotas

The quotas of Team Officials (coaches, team leaders, medical staff, support staff, etc.) allowed are on page 19.

Participating National Federations must comply with the quotas, as in principle, FINA will not allow any extra officials. Only exceptional and motivated requests for additional Officials will be considered and reviewed by FINA for approval. In this case, a fee of 150 USD will be charged for each additional accreditation duly approved.

Only persons aged of 18 or older as of the first day of the FINA World Championships are allowed to be accredited as a Team Official.

Concerning NF Representatives, the President and the General Secretary, officially recognised by FINA, will be entitled to free accreditation (this cannot be transferred to any other person).

Any other individual registered under the NF Representative category will be charged a fee of USD 150.- for their accreditation. NF Representatives are NOT included in Team Official quotas and are restricted according to the quotas below.

The following quotas apply to the NF Representatives registered in addition to the President and General Secretary:
