Disabled Swimmers

This event is open to swimmers who have a diagnosed physical, vision, hearing or intellectual disability of some kind, with no classification required.

Like able-bodied swimmers, there are no qualifying times for disability swimmers. Place getter ribbons will be allocated based on who touches the wall first regardless of disability type or extent.

Although there are no qualifying times for disabled swimmers, the swimmer must be capable to swim their entered races.

Races for disability swimmers will be 50s and 100s of each stroke, including the 100 IM.

If you have any questions about this disabled swimming category or wish to learn more information about classification moving forwards, please contact National Para

Swimming Development Coordinator Cameron Leslie on cameron@swimming.org.nz.
