HBPB SWIMMING RULES **WITHDRAWALS DISQUALIFICATIONS AND PROTESTS**

❖ **Withdrawals During Meet- HBPB Swimming Scratching Rule**

- The HBPB Swimming scratching rule may apply to Withdrawals.

For Finals

- Competitors wishing to withdraw from finals events shall do so in writing through their Team Manager and lodged with the Recorder/Control Room within the following times:
 - For finals swum in the same session as heats, within 30 minutes of the written posting of the list of finalists for that particular event.
 - For finals to be swum at a later session, within 30 minutes of the written posting of the list of finalists for the last event swum at the heat session.

Penalty Finals

- Any competitor not having withdrawn as required and who does not compete in the finals event shall be deemed a late withdrawal, except where there are medical reasons or proved hardship, and shall be debarred from competing in their next individual event.
- When a Club team is a late withdrawal, that Club shall be debarred from competing in the next team event for which that Club has entered.

Medical Scratching for Finals

- A medical certificate is necessary. For medical reasons, a swimmer can scratch up to 15 minutes before a session starts (not warm up) but must scratch for all of that session. If taken ill during a session a swimmer must scratch for the rest of that session.
- The Meet Director shall determine the acceptability on all matters where medical reasons or hardship are claimed.
- If within the advertised time frame, complete the form for each swimmer (if the scratching is for all events, then one form will suffice). If it is for individual or selected events, then multiple forms must be written. Never put multiple swimmers on the same form even if scratching from the same event.

❖ **Disqualifications & Protests – HBPB Swimming Protest Rule**

- Protests are possible if the rules and regulations of the competition are not observed, or against the decisions of the referee, however, no protest shall be allowed against decision of fact.
- Protests must be submitted in writing to the referee by the authorised team manager **with a fee of \$50 within 30 minutes following the formal publishing of results.**
- All protests shall be considered by the referee. If the referee rejects the protest, they must state the reason for their decisions. If the protest is rejected, the fee will be forfeited to HBPB Swimming. If the protest is upheld the fee will be returned.
- As per FINA rules and SNZ guidelines, if the Referee does not accept the protest, the club has the ability to request the Jury of Appeal to consider the protest. At this time, the Meet/Technical Director will convene the Jury of Appeal and chair the discussions, advise the Referee and the Club Manager of the outcome of the Jury.
