Information & Rules

Due to the current COVID19 situation at the red light this event is not a “have a go day”. Please make sure all entrants meet the qualifying times as set out below.

These events will be a combination of Zones and Champs. All results will be collated together to decided top 3 placings for each age group. Medals and Badges (Seniors only) will be awarded for the top 3 in each age group.

1. Five zonal/champs events are offered. Events this year are a mixture of 25m and 50m pools. The 50m events will be converted using Swimming NZ formula to decide the top 3 in each age group
2. Each event will be timed finals i.e. each age group stroke may have two or three timed finals. Races will be timed manually.
3. A swimmer is restricted to four individual races in their age group. Swimmers must keep to their age group for the individual races. **Each school is restricted to enter 2 swimmers per age group and 1 reserve if there are scratchings or 100 limit is not reached.**
4. Each swimmer is advised to wear a swim cap.
5. Acceptable swimwear is required - **NO double togs.**
6. FINA rules apply to each event. A supplementary rule exists for those who wish to start in the water rather than on a starting platform.
7. **Students should be aware of the rule for touches and turns for each stroke (refer to rules).** For breaststroke and butterfly both hands must touch the wall.
8. All events will operate under the one-start rule. At the end of each race, swimmers will wait until the referee's indication before they exit the pool.
9. Marshalling: Competitors are to report to the marshal before their race.
10. For these events, over-the-top start will apply, Swimmers exit from the previous race will be made on the day.
