Qualification Criteria

Age as at 30 July 2026

The qualifying period is from 1 January 2025 to 25 June 2026.

The qualifying times are 25m short course times. Qualifying times may be achieved as long course converted times.

Individual entry times will be generated by the SNZ database – and can be from either officiated or development meets. For non-SNZ members proof of times from their Regional Swimming Championships must be sent to entries@swimming.org.nz.

Performances from international, regional and local competitions not held within the database will not be eligible for use to enter this championship.

Relays

Only swimmers who have entered at least one individual event in this competition may be permitted to swim in relay events. There is no limit to the number of relay teams a school may enter.

Male and female relays will be swum as timed-finals and in the age groups Under 16 and 16 & Over. Younger swimmers can swim in the older age group, but older swimmers cannot swim down.

If an Under 16 swimmer swims in the older age group, they cannot also swim in the younger age group of that event.

Mixed relays will be swum in the same age groups and teams must consist of 50% male and 50% female swimmers. Points from these races will not count towards top school relay trophies.

Skins Event

The 5 x 50m skins event won't receive entries. The fastest 10 athletes from the 100m IM for each of the skins age groups will form the field. We will spin the wheel prior to each leg of the skins competition to determine the swim stroke for that 50m effort. Two swimmers will be removed per leg until we have two swimmers in the 5th effort.

The male event will run in entirety, followed by the female event.

This event will be worth double points.

Please note that if you do not wish to swim in the Skins event, you must complete a withdrawal form within 30mins of swimming the 100m IM. No late withdrawals will be accepted.

Psych Sheets

Psych Sheets will be posted on the event webpage as soon as possible after entries close.

Any corrections and changes to psych sheets are to be sent to entries@swimming.org.nz within 24 hours of the psych sheets being posted.

Any changes made after the final psych sheets are published will not be updated online, but will be completed and updated on the SNZ event file.

Multi-Class Swimmers

These championships are open to Multi-Class swimmers who have a classification of some form – provisional, national or international. Please note this includes S15, S18 and S19 classifications. To discuss the status of your classification, contact Disability & Para Swimming Participation Manager Cameron Leslie on cameron@swimming.org.nz.

Medals will be distributed based on the World Para Swimming points system (similar to the percentage of the world record calculation) and equivalent for the alternative pathway classifications using the event software of which results are final. To confirm, this means that one set of medals will be presented for each respective Multi-Class timed final.

There are no qualifying times for Multi-Class swimmers but you must have a time on the SNZ database.

Multi-Class swimmers are eligible for the following events: 50m for all strokes, 100m for all strokes excluding butterfly, 200m freestyle, 100m IM for all classifications.

For any questions regarding classification, please contact Cameron Leslie via email at cameron@swimming.org.nz
