Athletes with a Disability:

The ASA has a “mainstreaming” policy relating to athletes with a disability. Athletes who hold an IPC Classification are eligible to participate in this programme and will be seeded amongst able-bodied athletes on the basis of entry times. It is the responsibility of the athlete with a disability (or their Team Manager) to inform the Referee before they swim of their IPC Classification and to supply the Referee with their IPC Classification Card. The Referee will use their best efforts to judge the swim under the applicable IPC Rules.

Timed Finals:

All events will be swum as timed finals

Starts:

‘Over the Top’ starts will be used and the FINA One Start Rule (SW 4.4) will apply.

Marshalling:

There will be no marshalling. Swimmers are to marshal themselves at their lane just before the start of their event. No races will be delayed if swimmers fail to appear for their event. Failure to report on time will result in a ‘non-withdrawal’ penalty

Pool Deck Passes:

All swimmers, managers and pool side officials must display an ASA accreditation card. Coaches must display their NZSCAT accreditation. No access to the poolside area will be permitted without valid accreditation.

Warm-up Supervision:

It is an ASA requirement that all swimmers are supervised during warm-up by an NZSCAT accredited coach. This is to ensure the Health and Safety of all swimmers during what can be a chaotic time. If your coach is not attending the meet then you need to arrange a coach from another club to supervise your swimmers during warm-up.
Parents / Team managers are not permitted to supervise swimmers during warm-up.
