Para Athlete

All Para swimming races will be run as multi class events with all classifications swimming together. Places in each race will be determined based on comparing each swimmers time to the World Record in their classification. The swimmer with the time closest to their world record as a percentage will place first and so on.

All Para athlete registrations must be accompanied by a provisional classification supplied by Paralympics New Zealand. Forms to apply for a Provisional classification can be found here: <http://www.paralympics.org.nz/Pathway/Classification/Classification-Forms>

If you have any questions, please contact the Paralympics New Zealand Classification Manager at classification@paralympics.org.nz

Although there are no qualifying times, all swimmers must be proficient in the chosen strokes. The strokes being offered at the Anchor AIMS Games in 2018 are:

- 50m free
- 50m back
- 50m breast

Para Swimming Classifications:

The sport classification names in Para swimming consist of a prefix S, or SM and a number. The prefixes stand for the event and the number indicates the sport class the Para athlete competes in during the respective event.

The prefixes stand for:

S: Swimming (Freestyle, Breaststroke and Backstroke events)

SM: Individual Medley

Sport Classes 1-10: Physical Impairment

There are 10 different sport classes for Para athletes with physical impairment, numbered 1-10. A lower number indicates a more severe activity limitation than a high number. Note that Para athletes with different impairments compete against each other, but the impact of their impairment on swim performance is similar.

Sport Classes 11-13: Visual impairment

Para swimmers with visual impairment compete in sport classes 11-13, with 11 meaning a complete or nearly complete loss of sight and 13 describing the minimum eligible visual impairment. Para athletes in sport class 11 compete with blackened goggles.

Sport Class 14: Intellectual impairment

Para swimmers with intellectual impairment who also meet the sport-specific criteria compete in sport class 14.

More information on classification can be found on the Paralympics New Zealand website (<http://www.paralympics.org.nz/Pathway/Classification>).
