Entry fees must be paid prior to the start of the meet. If they have not been paid it will result in the withdrawal of swimmers.

No refunds for any withdrawals before or during the meet. Refunds for any medical withdrawals can be considered if a signed medical certificate is supplied.

Qualification Criteria

Age as at 20th July 2023

The qualifying period is from 1 January 2022 to 4 July 2023.

The qualifying times are 25m short course times. Qualifying times swum in pools other than 25m pools must be converted using the SNZ [conversions](#).

Individual entry times will be generated by the SNZ database – and can be from either approved or unapproved meets. For non-SNZ Members proof of times from their Regional Swimming Championships must be sent to entries@swimming.org.nz. Performances from international, regional and local competitions not held within the database will not be eligible for use to enter this championship.

Relays

Male and female relays will be swum as timed-finals and in the age groups Under 16 (15&U) and 16 & Over. Younger swimmers can swim in the older age group, but older swimmers cannot swim down.

If an Under 16 (15&U) swimmer swims in the older age group, they cannot also swim in the younger age group of that event.

Mixed relays will be swum in the same age groups and teams must consist of 50% male and 50% female swimmers. Points from these races will not count towards top school relay trophies.

Skins Event

The 4 x 50m skins event won't receive entries. The fastest 8 athletes from the 100m IM for each of the skins age groups will form the field. We will spin the wheel prior to each leg of the skins competition to determine the swim stroke for that 50m effort. Two swimmers will be removed per leg until we have two swimmers in the 4th effort.

The male event will run in entirety, followed by the female event.

This event will be worth double points.

Please note that if you do not wish to swim in the Skins event, you must complete a withdrawal form within 30mins of swimming the 100m IM. No late withdrawals will be accepted.

Psych Sheets

Psych Sheets will be posted on the event webpage as soon as possible after entries close.

Any corrections and changes to psych sheets are to be sent to entries@swimming.org.nz within 24 hours of the psych sheets being posted.

Any changes made after the final psych sheets are published will not be updated online, but will be completed and updated on the SNZ event file.

Para Swimmers

The 2023 New Zealand Secondary School Swimming Championships are open to Para swimmers who have a classification of some form – provisional, national or international. To discuss the status of your classification, contact Disability & Para

Swimming Participation Manager Cameron Leslie on cameron@swimming.org.nz.

Medals will be distributed based on the World Para Swimming points system (similar to the percentage of the world record calculation) using the event software, of which results are final. Para swimmers will swim in their own multi-classification timed finals in the Para multi-classification 13 and over age group.

There are no qualifying times for Para swimmers but you must have a time on the SNZ database.

Para swimmers are eligible for the following events: 50m for all strokes, 100m for all strokes excluding butterfly, 200m freestyle, 100m IM for all classifications.

For any questions regarding classification, please contact Cameron Leslie via email at cameron@swimming.org.nz
