

2024 NZ Secondary School Swimming Championships

Pre-Event Information Book

Accurate as 18 July 2024

Welcome from Swimming NZ

Kia ora swimmers, coaches and managers,

On behalf of Swimming NZ and the events team in Auckland, welcome to the 2024 NZ Secondary School Swimming Championships being held next week. We are excited to be hosting this event at the Sir Owen G Glenn National Aquatic Centre, we can't wait to welcome you all!

To assist you with your final preparations, we have put together this document outlining all the key details you need to know about to help you across the championships. It promises to be an exciting week of racing and we look forward having you in Auckland.

Alongside looking forward to hosting the championships, we are also excited to welcome Kate Griffiths to our Swimming NZ team, who commences as our new Competitions Manager on Monday 22 July. She will be assisting with the delivery across the week, and you'll see her organising our competitions moving forward. Many of you may know Kate already, having been involved in swimming in Auckland for the past 9+ years.

As you'll be aware, our championships overlap with the racing in Paris. For those wishing to arrive early on Sunday 28 July, we will be showing the Day 1 Finals on the big screen in the venue with the doors opening earlier from 6.30am. It will be a great location to cheer on our Aquablacks with the Women's 400m Freestyle final (6.55am – Erika Fairweather & Eve Thomas) and Women's 100m Butterfly semi-final (6.30am – Hazel Ouwehand) if they qualify from the heats the night before. Please keep this in mind as it promises to be an exciting week in Paris.

The first day of competition is World Drowning Prevention Day. We are offering a 90secs float in partnership with Drowning Prevention Auckland to promote the importance of learning to swim, in which floating is a crucial step. Please join us in raising awareness on the first day of racing at 3pm as warm-up starts.

Thanks for being part of the championships, and best of luck for your final preparations and racing throughout the week. We can't wait to see you in Auckland.

Nga mihi nui,
Dale

Dale Johnson
Head of Participation, Competitions & Engagement

Event Partners

Event Partners

- Caltex
- Bayleys
- Whakaata Māori
- NZ Carbon Farming

Corporate Partners

- Aotea Electric
- Kingspan
- Arena
- Teamline

Support Partners

- Allproof Industries

Seeking Volunteers

We are seeking support at the championships through filling 10 x timekeepers roles per session. This is the best seat in the house to watch the racing from, so please help us fill these roles in advance so it's seamless on race day.

[Click here to volunteer your support for timekeeping](#)

Once you've filled in the form, please ensure you report to the accredited entrance at or just before the time outlined on the form.

Sponsor Awards

Thanks to some of our event partners, there are prizes available for the three awards outlined below. Please give some consideration and submit nominations for the respective award due date to be presented during the championships.

Caltex – “Good Sport Competition”

This is awarded to a player, coach or manager for making a positive impact on those around them.

Prize = a full Caltex of goodies to take home

Award Nominations Close = Saturday 27 July at 12pm

Presentation Time = Sunday 28 July at final medal presentation

[Click here to submit nomination](#)

Bayleys – Altogether Better

This is awarded to a school team that is “#altogetherbetter. Whether it’s your unbeatable teamwork, unbreakable spirit, or unrelenting drive to succeed, we want to hear what makes your team stand out from the rest. We are looking for teams that embody the spirit of unity, teamwork and dedication.

Prize = \$500 voucher

Award Nominations Close = Friday 26 July at 12pm

Presentation Time = Saturday 27 July at 8.30am

[Click here to submit nomination](#)

NZ Carbon Farming

This is awarded to a school attending the championships who has the best sustainability tip to help our environment.

Prize = \$50

Award Nominations Close = Friday 26 July at 12pm

Presentation Time = Friday 26 July at 4.15pm

Important Information

Key Contacts For Event

Role	Name	Enquiry Type	Contact
Competitions Manager	Dale Johnson	Competition Queries	021 569 436 events@swimming.org.nz
Shadow Competitions Manager	Kate Griffiths	Competition Queries	
Resolution Desk	Technical Official	Withdrawals, DQs & Relay Forms	Table on Pool Deck

WhatsApp Group – Updates – 2024 NZ Sec Schools

We have created a WhatsApp Group that you can join to receive short updates across the week should we require to. This is open to managers, coaches and swimmers if they would like to join.

[Please join the WhatsApp group here](#)

Good Behaviour

Swimming New Zealand is committed to providing positive swimming experiences for all involved. Across the five days of competition, we trust that all interactions throughout the event will be positive and respectful – please treat others like you would like to be treated.

All participants must comply with our Code of Conduct – [learn more](#)

Health & Safety

Please remember to encourage good hygiene practices at this event and use common sense to keep yourself and others safe on pool deck.

Warm-Up Procedure

There will be allocated lanes for fins and paddles during warm up. We ask that you please stick to these lanes as displayed on pool deck.

Accred & Access To Pool

Access to the pool is via the accredited entrance via the scoreboard end of the pool (near the athletics track) with your accreditation. For those wishing to access the grandstand, you'll need to go through the changerooms and up the stairs/lift at the spectator entrance.

An accreditation volunteer will be on hand to ensure that passes are being presented. If you do not have a valid pass – you will be required to pay the appropriate admission fee.

Accreditation must be worn, around the neck, to gain access. No accreditation no entry. Lost accreditation can be replaced at a cost of \$15.00 each – through cash or invoice to the club.

Please note, no late passes will be issued at the door as per the updated Accreditation Policy 009.

Seating

Given the large number of swimmers for this championship, we have opted to organise a seating plan to ease the rush for securing seats for everyone's health and safety. Whilst we will assign areas for schools to be based around the facility, we ask that schools work together to comply and support each other to ensure everyone is catered for.

The seating plan will be completed in the coming days and uploaded on our event webpage prior to racing commencing.

Opening Ceremony

There will be an opening ceremony on Friday morning at 8:30am.

Parking

Parking is limited at the Sir Owen G Glenn National Aquatic Centre. Please try and limit the number of vehicles you travel in to the meet and comply with parking times and fees as per the signs displayed.

Entries & Results

Psych Sheets

Preliminary psych sheets were published on the event webpage on 15 July.

[Click here to view](#)

Programme & Results

Swimming NZ will complete the programme and seeding over the coming days online. The programme, session timelines and results are available on Swimify throughout the championships.

[Click here for Swimify](#)

We encourage you to download the new Swimify Livetiming app to view the programme and results on your phone.

[Apple App Store](#)

[Google App Store](#)

Please note there aren't printed programmes being provided at the resolutions desk. There will be a copy uploaded in the Files banner of Swimify for the following session that you can print or take a photo of the programme at the resolutions desk for that session.

Session Timelines

The session timelines will be confirmed and available on Swimify in the days leading up to racing commencing.

Withdrawals

Withdrawals from events for session one will need to be submitted via email by 3pm or at the Team Managers meeting being held at 3pm on Thursday 25 July. Any withdrawals for session one submitted after this time will incur a 25 point deduction from the total school points as per Policy 008.

Any further withdrawals for sessions 2 - 6 will not be accepted via email after 3pm Thursday 25 July. Withdrawals need to be made via a withdrawals form which can be found at the resolutions desk located around the 25m turn on the grandstand side of pool deck.

As all events are run as timed final events the SNZ Policy 008 will apply.

For timed-finals, withdrawals must be advised by the end of the session preceding the session with the timed final event.

DQs & Protests

Disqualifications will be announced and a copy of the DQ form will be available at the resolutions desk located halfway along the pool on the grandstand side.

Protests must be submitted to the referee, in writing, on the protest form by the team manager only within 30 minutes following the DQ result posting online. This needs to be accompanied in cash by the \$100.00 protest fee.

If conditions causing a potential protest are noted prior to the event a protest must be lodged before the signal to start is given.

All protests shall be considered by the referee. If the referee rejects the protest, they must state the reasons for their decision. The Team Manager may appeal the rejection to the Jury of Appeal whose decision shall be final.

If the protest is rejected, the deposit will be forfeited to SNZ. If the protest is upheld the deposit will be returned.

Competition Information

Opening Hours

Competition	Morning	Afternoon
Thurs 25 July		14.45 (gates)
		16.25 (comp)
Fri 26 July	7.15 (gates)	15.00 (gates)
	8.45 (comp)	16.25 (comp)

	8.40 (comp)	16.25 (comp)
Sun 28 July	6.30 (gates)*	
	8.40 (comp)	

*To enable attendees to watch the Day 1 Finals from Paris

Anyone wishing to access the pool outside these times for training will need to contact the facility directly to book lane space.

Skins Event

The 5 x 50m skins event won't receive entries. The fastest 10 athletes from the 100m IM for each of the skins age groups will form the field. We will spin the wheel prior to each leg of the skins competition to determine the swim stroke for that 50m effort. Two swimmers will be removed per leg until we have two swimmers in the 5th effort. The male event will run in entirety, followed by the female event. This event will be worth double points.

Please note that if you do not wish to swim in the Skins event, you must complete a withdrawal form within 30mins of swimming the 100m IM. No late withdrawals will be accepted. However, we strongly encourage swimmers to participate in the skins if you are ranked in the top 10 as double points are offered to the school.

Multi-Class Racing

These championships are open to Multi-Class and Para swimmers who have a classification of some form – provisional, national or international. Please note this includes S15, S18 and S19 classifications.

Medals will be distributed based on the World Para Swimming points system (similar to the percentage of the world record calculation) and equivalent for the alternative pathway classifications using the event software of which results are final. To confirm, this means that one set of medals will be presented for each respective Multi-Class timed final.

Relays

Male and female relays will be swum as timed-finals and in the age groups Under 16 (15&U) and 16 & Over. Younger swimmers can swim in the older age group, but older

swimmers cannot swim down. If an Under 16 (15&U) swimmer swims in the older age group, they cannot also swim in the younger age group of that event.

Mixed relays will be swum in the same age groups and teams must consist of 50% male and 50% female swimmers. Points from these races will not count towards top school relay trophies. Any mixed school relay teams will be swum as exhibition swims only and will not be eligible for points or medals.

Swimmers must be entered in individual events to be entered in relays.

The names of swimmers actually swimming on a relay must be submitted at least 45 minutes before the start of the session in which the event is to take place, in the order in which they are to swim. The names of swimmers in medley relay events must be listed for the respective strokes.

Failure to swim in the order listed will result in disqualification. Substitutions may be made only in the case of a documented medical emergency.

Marshalling

Self-marshalling will be employed during all sessions. Swimmers are asked to be in the marshalling area 4 heats prior to their event. For all 50m events swimmers need to be in the marshalling area 6 heats prior to their event.

Victory Ceremonies

Medals shall be awarded for the 1st, 2nd and 3rd swimmers/teams in all events (except exhibition relays).

The victory ceremony timetable will be included in the session programme on Swimify and as listed in the event schedule, and we will endeavour to run to this timetable. If for any reason there is a delay in the results being available, the medal presentation for that event will take place as soon as possible.

Dress standard and protocols for victory ceremonies:

- School t-shirt, jacket, or sweatshirt.
- Shorts, trousers, or skirts must be worn.
- Shoes must be worn.
- No caps or goggles.
- Swimmers can't run on to the podium late, they need to be present at the start of the announcement for their presentation.
- Swimmers must keep their medal on until well away from the podium and cameras.

Please note that photos taken by SNZ photographer will be made available for you to download and use.

Rules

The championships will be delivered in accordance with Swimming NZ Policies and NZ Swimming Rules.

[Click here for more information](#)

Strapping

Swimmers with strapping must provide documentation from a relevant registered health practitioner or physiotherapist and be reviewed by the Technical Director (Carlrine Gillespie) prior to swimming. Any swimmers without such documentation may not be permitted to swim.

Accreditations

All accredited persons must have their accreditation on them and present their pass to access the competition building via the accredited entrance. Please wear your accreditation around your neck.

If a swimmer, coach or team manager is seen to be using somebody else's accreditation, this accreditation will be removed for the remainder of the event.

Please note that you won't be providing lanyards for 2024, so you'll need to bring your own for the championships.

Winner Interviews

We may conduct interviews with selected final winners during the championships, or NZ Age and NZ Open Record breakers.

Prior to Racing

Team Managers Meeting

There will be a compulsory team manager meeting held on Thursday 25 July at 3pm in the Finish Line Room. This is in the AUT Millennium building opposite the competition pool building. Head past the café and up the staircase to find the meeting room.

Team managers will be given a brief run-down of meet activities, expectations of swimmers and schools, and general delivery of the championships. Each school is asked to have at least one representative at the meeting. If you can't attend, please have a good understanding of this update.

Club Packs

Packs and passes must be collected from the accredited entrance from 2.30pm on Thursday. If the packs aren't collected then, they will be available to collect from the accredited entrance for the rest of the championships.

Don't Miss Any Of The Action

Spectator Tickets

We have had lots of people display their eagerness to be in Auckland for this event, with tickets selling out quickly. Thanks for your support of the championships. We are looking forward to hosting a capacity facility for the week of racing.

As part of this release of information, we have released some more tickets to now offer 200 tickets per session. We are also seeking volunteer timekeepers for each session – see details above. We are fortunate to have lots of interest in attending this event so we are catering as best as we can within the venue capacity. For those who can't attend in person, please make the most of the livestream available live and free.

[Click here to purchase spectator tickets](#)

Livestream

We will be livestreaming all sessions of these championships live and free on the Whakaata Māori YouTube channel.

Thanks to Whakaata Māori for their ongoing support of swimming which has helped us provide all sessions live and free to our swimming community.

If you can't attend the racing in person, don't miss any of the action by catching it live and free on the Whakaata Māori YouTube channel.

CALTEX

Community Opportunities

We are excited and proud to be hosting opportunities for the community and swimmers to get involved. A brief summary of key opportunities is provided below.

World Drowning Prevention Day

The first day of competition (Thursday 25 July) is also World Drowning Prevention Day. To mark this occasion, we will be encouraging everyone to participate in a 90secs float in the water at 3pm (start of warm-up). Being able to float is one of the crucial skills as part of learning to swim, which is one of the most important life skills you can learn.

Please factor this into your warm-up on Thursday afternoon and get involved to help increase awareness of the importance of learning to swim. We will be promoting this message through our comms channels on the day also.

Day 1 Finals from Paris

With our Aquablacks taking on the world in Paris on the final day of the championships, we will be opening the doors at 6.30am on Sunday 28 July and displaying the finals session from Paris on the big screen. We encourage everyone to arrive earlier as we will hopefully have some NZ swimmers to cheer on together:

6.30am – Women’s 100m Butterfly Semi-Final (hopefully Hazel Ouwehand)

6.55am – Women’s 400m Freestyle Final (hopefully Erika Fairweather & Eve Thomas)

Coaches Area

Following the success of this new initiative in 2023, Swimming NZ and SCTNZ are proud that there will be a dedicated coach area with a coffee machine throughout the championships. This has been continued to encourage coaches to mingle with fellow coaches and get away for a break. This will be located next to the 25m pool.

Teamline Store – Merchandise & Swimwear

Teamline will be present at the event, selling both event merchandise and swimming apparel. Be sure to check out their pop-up store and say g’day to the team located in Swimming NZ boardroom accessible from the grandstand at the start/finish end.

Supporter Merchandise

Swimming NZ has offered some supporter merchandise in the lead-up to these championships, with some available for purchase at the accreditation desk during gate opening times.

New Zealand Carbon Farming

CALTEX

Policies & Other Important Information

Livestreaming, Photography & Videography

Photos and videos will be taken throughout the competition. By entering, all athletes and spectators have agreed to allow still and moving images that have been taken by or recorded on behalf of SNZ may be used in any or all of the promotional, social and advertising material of SNZ or provided to any third party, including but not limited to SNZ partners and sponsors, for their reasonable use as they see fit..

This event will be livestreamed and your school will be filmed and/or interviewed and available on demand. If you wish to opt out, have any questions or wish to discuss this further, please contact events@swimming.org.nz immediately. Swimming NZ adheres to the School Sport Charter for school events.

Spectators agree upon entry that photographic, video or audio recording equipment is prohibited for any purpose which may include, without limitation, video and/or audio recorders, camera tripods, monopods or lenses with a total focal strength of greater than 300mm and commercial digital video equipment. The SNZ Event staff will, at their sole discretion, determine whether an item is intended for personal or commercial use.

Team Manager Guidelines

To assist Team Managers with their preparations, we have provided a guidelines document.
